Stenham Real Estate Equity Fund

The Stenham Real Estate Equity Fund invests in European real estate securities with a focus on core Western European economies. The investment portfolio is diversified and the fund adheres to a conservative investment strategy, with a strict investment and risk management process. The Fund targets real estate companies with quality assets, an appropriate and sustainable capital structure and good management. The Fund invests with a medium to long term objective in real estate companies of all sizes, but adheres to strict liquidity requirements to ensure the investment portfolio remains liquid at all times.
