

Get insured with Momentum Insure and get unlimited 24/7/365 access to a network of more than 1 800 vetted armed and medical responders across the country.

The Safety Alert panic button feature is available to all Momentum Insure clients, at no additional cost. It can be used for medical and security emergencies no matter where you are.

**Safety Alert gives you:**

- Interactive map and real-time messaging allowing you or your nominated user (your spouse, parent, partner, child) to track the emergency response vehicle's movement.
- An SMS sent to the person who initiated the alert with details such as the responder's name, the type of vehicle and time of arrival.
- Emergency response will be sent to the last known GPS location of the user who initiates the Safety Alert button.
- Points towards Safety Returns.
- You can also earn 120 points towards your 30% cashback Safety Returns bonus simply by registering for Safety Alert.

**Safety Returns rewards are dependent on:**

- The cover on your car and home insurance policies.
- Completing and validating a Safety Score questionnaire, on the Momentum App.
- Registering for Safe Dayz™ and earning Safe Dayz™ each month through consistent safe driving behaviour.
- Registering for Safety Alert.
- Making use of other Momentum Insure features available on the Momentum App.
